In 2014, Michigan Public Act 187 set requirements for each Michigan public school related to anaphylaxis training and epinephrine auto-injectors. Full language of this law can be found [here](#).

Under this law, schools are required to report specific district information about anaphylaxis training and usage of epinephrine auto-injectors during the 2014-15 school year. The Michigan Department of Education has developed a brief online survey to address these requirements. Please access and complete this survey by June 12, 2015, at: [2015EPISurvey](#).
